Notice Concerning Non-Operation Income

SymBio Pharmaceuticals Limited (“the Company”) announces that the following non-operating income have incurred for the third six months of the fiscal year ending December 31, 2014 (from July 1, 2014 to September 30, 2014).

1. Details of non-operating income

The Company recognized the foreign exchange profit of 87,635 thousand yen as a non-operating income in the statement of operations for the third six months of the fiscal year ending December 31, 2014 (from July 1, 2014 to September 30, 2014) due to recent fluctuation of foreign exchange rates.

2. Future outlook

Based on the assumption of operational trends for this fiscal year, the Company determined that it would give no significant impact on the Company’s results of operations for the year; thus, no modification necessary to the financial forecast as of today. The Company will make a prompt announcement when any modification to the financial forecast is considered necessary.
